THEFT FROM AUTO PREVENTION

If you make it easy for someone to steal from your vehicle, chances are they will. So minimize the opportunity by practicing the following safety tips.

- Always lock your vehicle and take your keys.
- Never leave a spare set of keys in the vehicle such as in a magnetic box, above the visor or under the hood. Thieves ALWAYS check these areas.
- Always park in a well lighted area.
- When parking your vehicle, always make sure the windows are tightly closed.
- Keep all valuables and packages out of sight, i.e.: compact disc players, cellular phones, briefcases, computers, spare change, and clothing.
- Anything of value left in your car attracts thieves.
- Report any suspicious persons to 911
