#### SECTION 1 – PROBLEM SOLVING ON CRIME REDUCTION PRIORITIES

Section 1 focuses on chronic, long-term problems, to be addressed over the course of a year and identified by the community.

	2. <i>Describe the methods / actions used by the offender (do not include demographic information).</i> The Offenders solicit narcotics sales as well as get away with selling narcotics by standing on the corner and yelling "blows." The narcotics are hidden in another location and never on the dealer's person. Juveniles are utilized as look outs (often on bicycles). They are also utilized as dealers because of the possibility of lesser penalties due to their age. The narcotics being sold by the Offenders are heroin, marijuana and crack cocaine. The motives of the narcotics dealers are chiefly financial. They are also motivated to defend their narcotics territory from encroachment by other dealers or gangs. The Offenders get away with selling narcotics through the use of juveniles and look-outs.

	<p>violence in the 011th district occurs on all watches with upticks during the summer months.
